

Thank you for your interest in joining the International Society for Pediatric Surgical Oncology (IPSO)

Attached you'll find the application form to become an IPSO member.

You will be required to get sponsorship from two IPSO members. If you do not know anyone who could sponsor you please get in touch with the secretary, who will be able to advise.

Please fill out the form and then send it to the IPSO secretariat. We will also require a brief version of your CV, enough to demonstrate your activities and experience in the field of paediatric surgical oncology.

It is usually easiest to submit your application to the secretary on line: roly.squire@leedsth.nhs.uk The email address, fax number and postal address are all on the form.

Applications are considered at the annual IPSO business meeting (the next one will be in Auckland in October 2011). Receipt of your application will be confirmed, and you will be notified of the outcome of your application following the annual meeting.

An IPSO member will receive the IPSO newsletter biannually, and is eligible to subscribe to 'Pediatric Blood and Cancer' at the reduced rate of Euro 50. There is also a reduced rate for registration at the annual IPSO/SIOP meeting.

The annual fee for IPSO membership is Euro 60. The first fee will be collected during the year following successful application.
